GOVERNOR

ALBERTO C. GUTIER
DIRECTOR
GOVERNOR'S HIGHWAY SAFETY REPRESENTATIVE

January 11, 2010

Dear Arizona Highway Safety Partners:

The Arizona Governor's Office of Highway Safety ("GOHS") is requesting submission of proposals relating to highway safety issues from state, county, municipal, university, tribal, and non-profit agencies for the 2011 Federal Fiscal Year ("FY") which commences on October 1, 2010 and ends on September 30, 2011.

GOHS is in the process of a complete revamp of our electronic proposal system for the purpose of simplicity and conciseness.

This year, FY 2011 proposals must be submitted in two forms to GOHS by 5:00 PM on Friday, February 26, 2010:

1. Proposals must be typed and submitted to GOHS either via mail or hand delivered.
2. Proposals must be emailed in Microsoft Word to grants@azgohs.gov.

Please note that proposals cannot be submitted through the GOHS website and proposals must be submitted in hard copy and via email to be considered for funding.

The FY 2011 Highway Safety Plan will specifically target the following enforcement areas and proposals addressing these areas will be given priority:

- 1. Impaired Driving**
DUI Enforcement (overtime and equipment)
Youth Alcohol Enforcement (402, 410 and EUDL funding)
Training (Phlebotomy, HGN, DRE, ARIDE, etc...)
- 2. Speed & Police Traffic Services**
Aggressive Driving
Exceeding Maximum Posted Speed
School Zones
Red Light Running
Distracted Driving
- 3. Occupant Protection**
Seat Belts
Child Safety Seats/Booster Seats

Proposals will also be accepted that address the following program areas:

- Accident Investigation
- Emergency Medical Services
- Motorcycle Safety
- Pedestrian and Bicycle Safety
- Traffic Records

GOHS funds highway safety projects utilizing Federal 402 (State and Community Highway Safety Grants), 410 (Alcohol Incentive), 408 (Information System Improvement) and 2010 (Motorcycle Safety) funds. Additionally, GOHS receives funding through the U.S. Department of Justice for Underage Drinking Enforcement.

When developing your proposal, please do not identify a suggested funding source for your project. GOHS will identify the correct program area to fund your project based upon the problem your agency has identified and your proposed plan to solve the problem.

All agencies that are interested in applying for funding for alcohol enforcement must submit their own proposal; proposals will not be accepted from DUI task forces.

If you have any questions, please contact our office at (602) 255-3216. I appreciate your efforts to reduce traffic related fatalities in Arizona and I look forward to working with you to keep our streets and highways safe in 2011.

Sincerely,

A handwritten signature in black ink, appearing to read "Alberto C. Gutier". The signature is fluid and cursive, with the first name "Alberto" being the most prominent part.
